*Imagine a New York City that is the forgotten past and the fantastic future all at once.*

*A New York City where anything is possible.*

*New York, New York, New York is an multimedia panorama of New York City. Over 100 artists from all five boroughs and around the world collaborate to re-imagine the public and private spaces of the city.*

New York, New York, New York is made possible with public funds from New York State Council on the Arts, New York City Department of Cultural Affairs, and Queens Council on the Arts, as well as generous support from the Andy Warhol Foundation for the Visual Arts, The Greenwall Foundation, Materials for the Arts, and Carnegie Corporation of New York.  
Special thanks to the Queens Museum of Art.

Flux Factory is a 501(c)(3) nonprofit arts organization
